The CEO's compensation is performance based. The Board of Directors, as a whole, sets the CEO's goals and does an assessment during the annual performance evaluation. The CEO's goals are primarily VEC's Strategic Plan and other objectives as given by the Board of Directors, if the core competencies in VEC's strategic plan and other objectives have been met, the CEO has been successful. Each year the Manager of HR proposes a percentage increase to salaries as part of VEC's budgeting process. The increase percentage amount, once approved, is the same for the CEO as it is for all other non-union employees. The Board of Directors does an assessment of the CEO's performance and awards the appropriate percentage of increase, which does not exceed the salary budget or the salary range.

VEC's Human Resource Department works with a third party to gather formal market data of all positions at least every three years. All non-union positions were assessed by Hickok & Boardman in December, 2018. In the off years, VEC has access to the Vermont Salary Survey administered by Gallagher Flynn & Co., LLC, NRECA Compensation Survey, SHRM Compensation Data, VHRA Compensation Data and our own compilation of local utility data are used in comparative analysis and to assess the salary placement and increases to salary. A new salary bracket structure was recommended by Hickok & Boardman in 2018 and was implemented as part of the 2018 year-end and 2019 year start process. The salary brackets will be increased by 2/3rds of the average non-union increase to salary annually. The salary survey data and comparisons mentioned above are used when preparing the headcount and salary budget and to help determine the increase pool. All employee officers, key employees and remaining non-union employees fall under the same assessment. This information is shared with the VEC Board of Directors and they use this information to determine the CEO's compensation.
