

# Pellet Stove Bill Credit

Please complete this form and send it to Vermont Electric Cooperative with proof of purchase of a qualifying pellet stove, to receive a \$150 one-time bill credit.

To qualify, the pellet stove must:

1. Be installed in a building using an existing fossil fuel-fired heating system (ie not electric or wood);
2. Meet the following emissions criteria: < 2 g/hr of PM<sup>2</sup>

If your home or business is weatherized, you may qualify for an additional \$150. See below for details.

---

Name: Account number: Phone:

Address: Email:

---

1. What type of fuel was the primary heating source at the location where the pellet stove was installed?

Fuel oil       Propane

2. Is your existing fossil fuel-fired heating system a boiler or a furnace?  Boiler       Furnace

3. Based on your household size, was your 2019 household income at or below the following level? Please see chart below. (This question is required for VEC to comply with state reporting guidelines and does not affect eligibility. Your personal information will remain confidential.)

1 Person	2 Person	3 Person	4 Person	5 Person	6 Person	7 Person	8 Person
\$44,500	\$50,900	\$57,250	\$63,600	\$68,700	\$73,800	\$78,850	\$83,950

Note: Household income is gross wages (ie pre-tax) from all sources of income from individuals who are considered part of your household.

Yes       No

4. Please list the make, model number, and serial number for the unit.

Make: Model #: Serial #:

---

Please send the completed form to Vermont Electric Cooperative. **Please make sure to include a copy of the proof of purchase with your application** so that there is no delay in processing your bill credit. Contact VEC at 1-800-832-2667 with any questions:

## Weatherization

To qualify for the additional \$150 weatherization incentive, please provide documentation that your home or business meets one of the following criteria:

- Completed Home Performance with Energy Star project with Efficiency Vermont
- Received weatherization through the Weatherization Assistance Program (WAP) since 2005 or are currently enrolled in WAP
- Received a 2011 or newer Residential Energy Standards (2011 RBES) certificate
- Had a blower door test performed with a maximum measured Air Changes per Hour (ACH) of less than 5 at 50 Pascals

## Why weatherize?

- Reduce heating costs
- Improve comfort and indoor air quality
- Increase the value of your home
- Projects can qualify for up to \$4,000 in rebates from Efficiency Vermont

## Financing is available

Efficiency Vermont's Home Energy Loan provides a simple and easy way to finance your weatherization project. It offers interest rates as low as 0% for qualifying projects and equipment.

To learn more about weatherization, call Efficiency Vermont at 1-888-921-5990 or visit [www.encyvermont.com](http://www.encyvermont.com).
