LED Security Light Application

Name on Account: _____ Account #: _____

E911 Address of Service: _____ Phone #: _____

Town _____ Pole # where light will be installed: _____
****Provide drawing on 2nd page****

Put quantity in space provided for which type of Security Light you would like:

VEC Supplied & Owned Materials

_____ \$15.16/month **SMALL LED D SERIES 34W**

_____ \$27.45/month **LARGE LED D SERIES 85W**

MATERIALS:

VEC Supplied & Owned Materials: VEC will provide the appropriate materials and installation.

Member Supplied & Owned Materials: Member will supply the appropriate materials and delivery to the appropriate district warehouse. VEC will install.

TERMS AND CONDITIONS:

The street lighting charges above are only for street lights mounted on existing Cooperative-owned poles. Street lighting installations requiring additional facilities will be treated the same as a line extension.

Monthly billing for the unmetered security light(s) are based on the schedule of electric rates.

Service under this tariff shall be for a minimum of one year from date of installation and shall continue thereafter until canceled by the Customer on 60 days' written notice. For those installations that are in service less than twelve consecutive months, the customer shall pay the cost of installation and removal of the equipment in lieu of the one-year minimum term of service.

MAINTENANCE:

All lights that are supplied by VEC will be maintained by VEC.

All lights that are supplied by the Member will also be maintained by VEC but the member will supply the appropriate materials for repair. These materials will be dropped off at the appropriate district warehouse.

Signature: _____ Date: _____

Office use only: W.O.# _____

Show any building(s), road(s), driveway(s), and pole you want security light placed on. Also show the direction you would like security light facing.
